### EAST COAST ENVIRONMENTAL RESEARCH INSTITUTE

Name : Prof. Dr. Haji Mohd Ekhwan Haji Toriman  
Department : Office Of The Deputy Vice Chancellor (Research & Development)  
Telephone (office) : 09-668 8489  
Email : ptncpi@uniswa.edu.my  
Expertise : Ecology, Climate Change, Environment, Environmental Impact Assessment, Environmental Science, Water Quality, Sustainable Development, Soil Science  
Research Interest : Environmental Hydrology, River Modeling and Geographical InformationSystem (GIS) Application, River simulation using 2-D hydrodynamic model XPSWMM (River modeling), 1-D hydrodynamic model InfoWork RS (Hydrological modeling and water quality), GIS ArcView

Name : Prof. Dr. Muhammad Barzani Gasim  
Department : East Coast Environmental Research Institute (ESERI)  
Telephone (office) : 09-666 3410  
Email : barzanigasim@uniswa.edu.my  
Expertise : Environmental Hydrology, Environmental Geology  
Research Interest : Geological mapping, Water Catchment Protection, Environmental Asessment, Integrated River Basin Management

Name : Assoc. Prof. Dr. Hafizan Juahir  
Department : East Coast Environmental Research Institute (ESERI)  
Telephone (office) : 09-666 3410  
Email : hafizanjuahir@uniswa.edu.my  
Expertise : Artificial Intelligent, Chemometric , Decision Support System, Environmental Modelling, Environmental Chemistry  
Research Interest : Artificial Intelligent, Chemometric , Decision Support System, Environmental Modelling

Name : Assoc. Prof. Dr. Azizah Endut  
Department : Programme Management Office  
Telephone (Office) : 09-6687692  
Email : enazizah@unisza.edu.my  
Expertise : Ecology, Environment, Environmental Impact Assessment , Environmental Science, Water Quality, Sustainability, Environmental Analysis, Renewable Energy and Space Power  
Research Interest : Ecology, Environment, Environmental Impact Assessment, Environmental Science, Water Quality, Sustainability, Environmental Analysis, Renewable Energy and Space Power

Name : Roslan Bin Umar  
Department : East Coast Environmental Research Institute (ESERI)  
Telephone (Office) : 09-666 3410  
Email : roslan@unisza.edu.my  
Expertise : Astronomy and Astrophysics-Astrophysics, Astronomy and Astrophysics-other Astronomy and Astrophysics, Atomic and Molecular Physics-Instrumentation and Measurement Techniques  
Research Interest : Astronomy and Astrophysics, Atomic and Molecular Physics-Instrumentation and Measurement Techniques
